

Meeting Summary
Optimizing Synergistic (One Health) Collaborations
August 22, 2017 (online)

I. Open the call with Introductions - George Lueddeke

A. The purpose of this visit:

1. To learn about current organizational priorities related to One Health or associated concepts/developments.
2. To discuss briefly how we might strengthen our mutual support for some of these.
3. Discover how to globally synergize our efforts.

B. Since time is limited, for this initial exploratory call each participant will have 5 minutes to:

1. Identify some of the One Health / related initiatives in which they are / will be engaged and proposed short and longer-term outcomes
2. Share concerns and intended ways forward
3. Share ideas for strengthening collaboration among organisations
4. Other?
5. Respond to a few questions

II. Welcome and Thank You for participating – Cheryl Stroud (9:23-9:25)

Exploration of interest in doing a larger online conference for groups working toward similar endpoints but in parallel / overlapping spaces to identify strengths / synergies.

III. Participants

Chatham House – Mirzet Sabirovic

Network for the Evaluation of One Health (NEOH) - Prof Liza Nielson

OIE (World Organisation for Animal Health) - Matthew Stone

One Health Commission (OHC) - Joann Lindenmayer, Cheryl Stroud (presenting), Gretchen Kaufman
