

### Frequently Asked Questions

#### **What is a Webinar?**

A Webinar is an on-line conference that uses your computer to deliver audio-visual information during a live workshop and to interact with presenters. If you participate in “real-time” you will have the opportunity to ask questions. Webinars will also be recorded and placed on the One Health Commission website, so if you miss the real-time presentation, you may watch the Webinar at your convenience.

#### **What are the benefits of a Webinar?**

- Cost efficient way to engage when finances for travel are limited
- Quality professional development at your desk
- Multiple attendees from any single location
- All you need is a computer with an internet connection
- Real-time presentations and recorded presentations
- Audio and visual simultaneous presentation
- Q & A during presentation
- Follow-up postings on the OHC website

#### **Why is the One Health Commission hosting this Webinar?**

The Webinar platform welcomes thousands of individuals around the globe to join an online conference whilst eliminating the need for travel and related expenses. Webinars are a simple and effective way to connect and educate people around the world. The main objectives of the Webinar are to:

- Connect One Health stakeholders around the world to better understand, share and highlight individual- and agency-level efforts;
- Educate Webinar participants about the One Health paradigm and way of thinking towards improved health outcomes; and
- Create new strategic partnerships and networks for collective, purposeful and coordinated action.

#### **Is the Webinar interactive?**

Yes. If you attend in “real-time” you will have the opportunity to address speakers and ask questions.

#### **What is the cost to register and attend the Webinar?**

There is no cost to register and attend the Webinar.

#### **How do I register for the Webinar?**
