

Bat Rabies Education Team (BRET) Members

March 2018

Juliana Galhardo, DVM, PhD

(Animal Sciences / Zoonoses)

Juliana graduated from State University of Londrina (UEL / Brazil) with a DMV in 2003 and obtained a MS (2006) and PhD (2016) also from UEL. Since 2008 Juliana is a Professor in Federal Universities in Brazil. From 2011 on she works at the Federal University of Mato Grosso do Sul, Campo Grande, Brazil, with epidemiology, zoonoses and public health in the Veterinary course. She has experience in leishmaniasis, rabies epidemiology and food safety. Juliana is interested in basic and applied research.
